Additional Information	<p>Callie Bauer is a setter by training and plays that position on her club volleyball teams. She was highly recruited for her setting abilities and yet she switches roles and leads our team, our county and much of our league in kills. Her quick feet and her defensive skills make her an invaluable player in every position on the floor.</p> <p>Callie is not only an amazing player, she is a wonderful person. She is her teammates' biggest cheerleader. Her love of the game and her competitive spirit are contagious. She makes those around her better. She is also quick to volunteer to work with younger athletes. Her goal is to win but also to help make this a winning program for years to come. Her attention to academics demonstrates her understanding of the importance of the student in the student athlete. I feel fortunate to have such a player but even more importantly such a young woman in the volleyball program here at Hudson High School.</p>
