Financial Report: Dianne (via email & submitted). Jodi/Vicki. Passed.

Andi - finished in Battle Creek, utilizing the 3 days.

1. All rounds happening as scheduled.
2. District Draws - please consider non-traditional draws
3. Non-tournament stuff -
 - a. Kids must be seated on the bench. All levels, all matches.
 - b. Masks - yes, must be worn. Not a chin strap!
 - c. Executive Order - will have some new stuff out tomorrow....may have more people allowed into the facility
 - d. New rule state that the officials have to meet at center court, not on the sideline. That is a National Federation thing, who never considered that warm up is going on during that time.
 - e. Officials should have masks on, they do not have to while they are actually officiating. But before and after they should be wearing them.
 - f. 1 quad per day. Not a quad in the morning, and then again in the afternoon. The point is that you have now infected 7 schools instead.
