## **Bronson Schools, Mrs. Jean LaClair Named National High School Athletic Coach Association Coach of the Year in Volleyball**

Belleville MI, June, 2022 – The National High School Athletic Coaches Association (NHSACA), a professional organization of school coaches and athletic directors, has selected Mrs. Jean LaClair of Bronson High Schools as the National High School Athletic Coaches Association Coach of the Year in the sport of Volleyball. The award was presented to Mrs. LaClair on June 22, 2022 at the Prairie Meadows, in Altoona, Iowa where the NHSACA Annual Conference hosted over 500 coaches and athletic directors.

Congratulations to Bronson High Schools and Mrs. Jean LaClair on the NHSACA Volleyball Coach of the Year Award. The selection and nomination for these awards comes from the coach's constituent sport association in cooperation with the Michigan High School Coaches Association.

The NHSACA selection of Mrs. LaClair from Bronson High Schools reflects positively on her school and community. Coach of the Year selections have been based on the performance of their program over the years and/or their contribution to the sport, school, and community. These were some of the criteria to determine the award selection. It is indeed an honor to have been selected as National High School Athletic Coaches Association Coach of the Year for the sport of Volleyball from an entire nation of nominees.

The NHSACA is a 58-year-old association with nearly 335,000 members serving as athletic administrators, and all levels of coaches in numerous high schools and junior high/middle schools throughout the United States. Partnering with the Michigan High School Coaches Association, the NHSACA works to promote the educational value of interscholastic athletics and the role of athletic administrators and coaches. The NHSACA and MHSCA are very proud to spotlight Mrs. Jean LaClair as a person whose work and values best mirror those of the association.
