**Board Appointed Position:**

**I propose that we appoint Aaron Smaka as the 'Proxy' Boys Volleyball Committee Head.**

**\*Rationale:** Aaron has been doing 'the work' the past 2+ years re: organizing, leading, presenting and some coaching. He's been a huge resource for formatting the current boys league, all region player formats etc. I know that Aaron does not want to do this position full time, but he has been pulling the workload to get our 'other half' up and running. He is willing to train another 'boys coach' to take over his workload moving forward. He's been a presenter at our clinics and has been a region rep 'off and on' through the years and has unofficially been at some of our meetings this past year. Futuristically we can shift this to being an official part of the board when they are 'official' in the eyes of the MHSAA and this position be someone who was voted in, like all board members.

***Moving forward, we need to have in place a position on our board that is officially for Boys Volleyball. This includes everything we do in 'duplicate' for website, membership, awards, forms, COTY, HOF, Special Recognition, etc.***
