Additional Information

Gabby is a selfless teammate and a leader by example. She is always willing to support and encourage, but is also aggressive and gritty in her style of play. Her fire and compete level is a difference-maker and what sets her apart. She plays her best when it means the most. Her team depends on her and she has always accepted and thrived with the weight of that responsibility. Gabby has led her team in nearly every statistical category since her freshman season as a true 6 rotation player. For the first time since 1998, Grosse Pointe South volleyball was able to move up in conference level to the top MAC Red division. She has helped build and lead the program, growing interest within the local community for the sport and team - all while playing the sport she loves with her high school friends.
